Future & Benefits

Q: Why should I invest in gold for the future?
Gold is a proven hedge against inflation, currency devaluation, and market volatility. It offers long-term security and stable returns. Gold isn't just metal — it's your most secured investment for future financial freedom.

Q: How is StartGOLD better than buying physical gold?
StartGOLD offers:

- No storage or safety worries
- Instant buying/selling
- Lower costs (no making charges unless you take delivery)
- Full ownership with vaulted security

Q: Can I gift gold to family or friends?
Yes, you can gift digital gold to anyone with bank account and valid KYC.

General Questions

Q1: What is StartGOLD?
StartGOLD is a digital gold savings platform that allows you to invest in secure, verified gold easily through your mobile app or website. Your gold is stored safely with trusted custodians like MMTC-PAMP.

Q2: Is gold investment through StartGOLD safe?
Yes. Your digital gold is backed by physical gold stored in insured, high-security vaults with renowned custodians. StartGOLD complies with KYC, PAN, and **ISO 27001:2022 security standards**.

Q3: How does digital gold work on StartGOLD?
You buy gold in grams or milligrams using UPI or other payment methods. The equivalent physical gold is stored in your name in secure vaults. You can hold, sell, or redeem it anytime.

Investment & Purchasing

Q4: What is the minimum investment amount?
You can start investing in gold with as little as ₹10, depending on current gold rates.

Q5: How is the gold price determined?
Gold prices are updated in real-time based on international market rates and local premiums in India.

Q6: Can I buy gold in small quantities?
Yes, you can buy gold in increments as small as 0.001 grams, making it accessible for all budget levels.

Q7: What payment methods are accepted?
StartGOLD supports UPI, net banking, debit/credit cards, and other secure payment gateways like Cashfree and Razorpay.

Security & Ownership

Q8: Who owns the gold I buy on StartGOLD?
You own the gold 100%. It's stored in your name with trusted custodians, and you can request physical delivery or sell it anytime.

Q9: Is my gold insured?
Yes, all physical gold held in custodian vaults is fully insured against theft, loss, and damage.

Q10: What happens to my gold if StartGOLD shuts down?
Your gold is held by independent custodians (MMTC-PAMP) and is not part of StartGOLD's assets. It remains yours regardless of the company's status.

Selling & Redemption

Q11: Can I sell my gold anytime?
Yes, you can sell your digital gold 24/7 at real-time market rates directly through the app.

Q12: How do I redeem physical gold?
You can request physical delivery of your gold through the app. Minimum redemption limits and delivery charges may apply.

Q13: How long does it take to receive money after selling gold?
Sale proceeds are typically credited to your bank account instantly.

Fees & Charges

Q14: Are there any hidden fees?
No hidden fees. StartGOLD charges a transparent small making/delivery charge only if you opt for physical gold delivery. Buying and selling digital gold has no fee.

Q15: Is GST applicable on digital gold?
Yes, 3% GST applies on the gold value as per Indian government regulations.

Account & KYC

Q16: What documents are needed to start investing?
You need a valid PAN card for KYC verification, as required by Indian financial regulations.

Q17: Is KYC mandatory?
Yes, KYC is mandatory for all users to comply with RBI and anti-money laundering regulations.

Q18: Can minors invest in gold on StartGOLD?
Minors can invest through a guardian's account, with the gold held in the guardian's name until the minor turns 18.

Technical & Support

Q19: Is the StartGOLD app secure?
Yes. The app uses bank-grade encryption, **ISO 27001:2022**-compliant security protocols, and secure payment gateways.

Q20: What if I forget my login credentials?
You can reset your password or recover your account using your registered mobile number and email via the app.

Q21: How do I contact StartGOLD support?
